

# Maxi-GRIP Floor System

Maxi-GRIP aluminium distribution floor plank - forklift rated.

Maxi-GRIP aluminium high profile air flow floor plank - forklift rated.

## The Maxi-GRIP Floor System

For over 30 years, Maxi-CUBE has led the Australian temperature controlled van market, with a combination of outstanding thermal performance, high payload, innovative new technologies, reliability and market leading improvements like the Maxi-GRIP trailer floor.

Designed to reduce the risk of injury due to wet or slippery floors, Maxi-GRIP floors are suitable for use with both pallet jacks and fork lifts.

Insist on fitting a Maxi-CUBE Maxi-GRIP floor.
