

Maxi-CUBE

Classic Rigid Bodies

The Maxi-CUBE Classic

For over 30 years, Maxi-CUBE has led the Australian temperature controlled van market with a combination of outstanding thermal performance, high payload, innovative new technologies, reliability and high resale value.

Now the Maxi-CUBE “Classic” is available as a body for fitment to rigid trucks so you can standardise your fleet with high quality, high performance Maxi-CUBE equipment across the range.

Incorporating the very same high standard materials and build quality of Maxi-CUBE trailers, Maxi-CUBE rigid bodies are available in 3 sizes: 10, 12 or 14 pallet.
